

**Skagit River FRM, Washington
Feasibility Scoping Meeting (FSM)**

Agenda

Date: 13 March 2012
Time: 1000 to 1200 hrs Pacific Time/13:00 to 15:00 Eastern Time
Place: Seattle District Office, NWD, HQUSACE Web Meeting/Audio Conference*

Purpose of meeting: The FSM is an important milestone in the planning process that brings the USACE vertical team – HQ/NWD/NWS + the sponsor together to reach agreement on the problems and solutions to be investigated during the Feasibility study, it identifies the future without project conditions, and it identifies the scope of analysis required

Goal of Meeting: Resolution of FSM comments.

Desired outcome of meeting: Issuance of a Project Guidance Memorandum (PGM) for continuation of the Feasibility Study.
