## Greetings:

Congratulations to the new members of the Skagit County Flood Control Zone District Advisory Committee (AC). On 5/19/2008 the Board of Skagit County Commissioners (BCC) passed Resolution #R20080254 confirming the appointment of members to the AC. A total of 15 members were appointed to the AC. The AC membership consists of three members selected from each of the three FCZD Technical Committees (Dike/Drainage, Environmental, and Land Use), and three Mayors and three At-Large members selected by the BCC. The AC replaces the Skagit River Flood Control Committee and will, upon request, provide input and make recommendations to the FCZD Board of Supervisors on flood control matters. County staff is looking forward to work with the AC to update the Comprehensive Flood Hazard Management Plan and to resolve countywide flood control needs.

The first AC meeting has been scheduled for June 9, 2008 at 1800 Continental Place, Mount Vernon, WA from 4-6 pm. A meeting agenda is attached along with the following documents: Guiding Principles, Resolution #R20080254, meeting summary from the 5/5/08, 3<sup>rd</sup> Technical Committee Workshop, and minutes from the 5/5/08 individual Technical Committee meetings.

All FCZD Advisory Committee meetings are open to the public and interested persons are welcome to attend.

Please contact Tom Karsh at 419-3373 or at [tomk@co.skagit.wa.us](mailto:tomk@co.skagit.wa.us) if you have any questions. Hope to see you all at the meeting.
