MEMORANDUM FOR THE RECORD

SUBJECT: Skagit River Levee and Channel Improvement, Public Information.

1. Mr. Lloyd Johnson, Skagit County Engineer was contacted on 10 May 1967 regarding information to be publicized on the subject project.
2. He said that our letter dated 25 April 1967 requesting that Skagit County publicize the project had been received but no information had been released to the general public to date. He was reminded of the 15 May 1967 deadline for this release and he said he would attend to the matter at once by sending out an information sheet to the following:
 - a. Skagit Valley Herald (Daily)
 - b. Bellingham Herald (Daily)
 - c. Four weekly newspapers in the County
 - d. Three radio stations
3. He will furnish us copy of Skagit Valley Herald showing publication. He assured me that at least one newspaper and one radio station would carry the news release by 15 May 1967. His office staff was busy preparing the drafts for distribution while I was still in the office (copy attached). All were friendly and cooperative.
