Reference Conversation Record dated 6 June 1988, above subject (encl 1).

- l. A meeting has been scheduled 10 June in the Fairchild Room beginning at 0900 to discuss reactivation of the Skagit River Levee Project.
- 2. At the request of the Mt. Vernon City Council, John Wiseman, City Engineer, will chair a meeting on 6 July with the county, diking districts, and Corps to overview the authorized projects and discuss formulation to protect only Mt. Vernon.
- 3. The purpose of the 10 June meeting is to develop our strategy for determining if a viable project can be formulated which the city will sponsor. The sponsor is out-front and leading the project. The Corps is responding with guidance and advice on how best to proceed within Federal procedures.
