**Subject:** more Skagit No-Fed funds OTHER ISSUE, COST OF ROCK

I talked to Bruce briefly this morning about you sending in funds for the restoration work. Bruce said that you could go ahead and send them in under the Skagit GI feasibility but we'll fence off the funds under what we call a new Work Item. Patty will help me set that up.

We worked up rock costs per alternative. This is rough but good for talking purposes.

Alternate	Total CY	Quantity \$/CY	Rock Removal \$/CY	Rock In-Place \$ million	Total
1	162,000	10	30	6.5	
2	366,000	10	30	14.7	
3	84,000	10	30	3.4	
4	84,000	10	30	3.4	
5	630,000	10	30	25.2	
6	0	10	30	0	
7	162,000	10	30	6.5
